BOOK SYNOPSIS

"It only took a few seconds of distraction to cause Ed to approach the intersection too fast. It only took a few seconds for the drunk to enter the same intersection, running the red light in the process. Ed would live, but would never walk again. The information in this book will teach you to avoid such distractions. Using the same awareness technique taught in many law enforcement academies self defense schools to build high levels of alertness, this information may save your life."
